BOROUGH OF CAERNARVON

Sanitary Inspector's Office,
Guild Hall,
CAERNARVON.

28th February

Dr. Gwyn Thomas,
Medical Officer of Health,
Caernarvon Port Health Authority,
CAERNARVON.

Dear Sir,

I wish to submit a report on the shipping inspections, etc.
for the year ended 31st December, 1954.

No defects were found and consequently no notices were served
as the shipping was mainly coastwise. Two foreign vessels arrived, one
with timber and the other slag.

The port is supplied with water from the town mains by water
hydrants being conveniently placed.

On inspection of the ships no rodent infestation was found.
Certain buildings and yards in the dock area were successfully treated.

Yours faithfully,

(Signed)

R. H. BRITLAND.

PORT HEALTH INSPECTOR.
